

# Spring Mushroom Hunt

- ◆ **Where:** The Ingalls property. This property is located at the dead end of Bishcoff road, north of Monument rd. Check out our events page at [www.ioscoconservation.org](http://www.ioscoconservation.org) for exact directions.
- ◆ **When:** Wednesday May 21st, 10:30 a.m.
- ◆ **Why/What:** Come join us and learn about the bounty of mushroom species Iosco County has to offer this spring. Learn to identify edible, medicinal, and poisonous mushrooms among others. Above all, come out and expand your understanding of the woods and its “myco” partners.
- ◆ **More Info:** Please contact District Forester Andrew Beebe @ (989) 335-1056 or [andrew.beebe@macd.org](mailto:andrew.beebe@macd.org) for more information about this event or any questions regarding forests and forestry.
- ◆ **Registration:** Please call or email if you’d like to join us

The USDA is an equal opportunity employer.
