

# Timber, Taxes and You

If you own forested land and you have harvested timber within the last 3 years you will not want to miss this workshop. If you're thinking of harvesting timber or purchasing forested property this workshop is for you.

**Why Come?** - Money earned from a timber harvest is taxed differently than normal earned income and many factors affect the taxes you owe. Don't pay unnecessary tax dollars, get educated and save!

**Where is the Event?** - This lecture will be held at the Alcona County Library:  
312 W Main St, Harrisville, MI 48740

**When is the Event?** – Oct 25th 2014, from 1 p.m. until 3 p.m.

Susan Metcalfe of Metcalfe Forestry and the Alcona Conservation District are presenting this lecture. Susan is one of the few timber tax experts in the state and represents a **Metcalfe Forestry LLC**, a consulting firm with a diverse and robust background and a great understanding of forestry and forest products in Michigan and abroad.

Please contact District Forester Andrew Beebe at (989) 335-1056 for additional information and to register for this event.
